## Parent Permission Form

I have read the information packet and understand the requirements for participants in the Drill Training Class. I understand the dedication and discipline necessary to be a successful member of the program. I have also viewed the estimated expense list and am aware of the items that must be purchased in the upcoming year should I be chosen as a Drill Trainer. I also understand that tryouts are closed and all judges' decisions are final.

With these things in mind, I give my permission and support for my daughter, \_\_\_\_\_ to try out for the Drill Training Class.
